

Getting to Know Your Retirement System with a KTRS Orientation

Several schools, as well as entire districts, have requested that KTRS staff meet with educators in their system to provide an orientation on the Kentucky Teachers' Retirement System. **Our office can provide a thirty-minute up to a one-hour presentation based on your timing needs. We ask that you have at least 20 members in attendance.**

Topics that will be covered include highlights of the KTRS defined benefit plan, the advantages of saving early for retirement, the value of retaining one's sick leave days, and information members should know regarding their retirement account. KTRS counselors frequently hear the following comment from career educators: "If I had only known that when I first started teaching."

*"If I had
only
known
that when
I first
started
teaching!"*

Knowing this valuable information on the front end of one's career eliminates regrets when a member is nearing retirement.

Please ask your school or district office to contact Sandra Bush at KTRS at 800-618-1687 for more information on a KTRS orientation presentation.
